Dear Commissioner:

STATUS INQUIRY

A patent application was mailed to the U.S. Patent and
Trademark Office on July 3, 2003 for the above-identified case.
The return receipt postcard indicated that the Office received
the application on July 7, 2003; an information disclosure
statement was mailed on October 8, 2003 and received in the
Patent Office on October 10, 2003 based on the return receipt
postcard; formal drawings were also mailed on December 24, 2003
and received in the Patent Office on December 29, 2003 based on
the return receipt postcard. However, to date, no Office Action

has been received from the Office. My secretary checked the U.S. PTO status line and it indicated that application 10/713,851 is not available. Therefore, please send us the status of this application.

Respectfully submitted,
